Re: Mohammed Thani A.T. Al Thani vs. Alan J. Hanke, IOLO Global, LLC, et al.
Case No. 20-CIV-4765 (JPC)
Request For Extension of Time

Notice of Special Appearance

Dear Judge Cronan:

I, defendant Amy Roy-Haeger, do hereby request the Court to grant an extension of time in which to either answer the lawsuit or file a motion to dismiss for want of personal jurisdiction. I was added to this suit in the Second Amended Complaint. I wish to have a 2-week extension for the following reasons:

1. I am diligently trying to obtain counsel to represent me; however, I am indigent and I need time to obtain funds to hire counsel and I need more time to do so.
2. I need additional time to conduct further investigation into the matters contained in the lawsuit against me due to the fact that I have never met the Plaintiff, nor spoken to him, nor had any contractual agreements with the Plaintiff. Furthermore, I have never lived in New York and I have not been part of any meetings in NY regarding this matter. Therefore, I am in the process of conducting an investigation into the allegations against me in order to properly understand why I am a defendant in a suit for a matter and contract I had nothing to do with, nor was I aware of the contents of any such agreement until I had been provided a copy of the MDA in connection with the lawsuit at my request. At the very least I will have to add 3rd party defendants that I understand were involved in this matter and I also need to time to finish my investigation to add the proper people or entities to the suit.
3. Covid 19 has placed an undue hardship on me in that I have not been able to be contracted or employed to full capacity and therefore, this has placed an enormous financial burden upon me and my family and left me in financial ruin. I have no money and no assets to speak of. We rent a modest house where I am caring for my aged Mother who needs constant care and I am not in a position to pay for an attorney. I am currently seeking assistance to attempt to be able to afford counsel and I need time to obtain answers from family and friends as to any assistance they may offer me to defend this matter.

4. This lawsuit is flawed and contains many misrepresentations regarding myself and statements that were made which are grossly inaccurate and need to be investigated.

This request for an extension of time is made in good faith and not for purposes of undue delay. I will make the most of the time extension to be able to either hire an attorney or in the event that I am unable to acquire assistance and I am forced to represent myself, pro se, then I can make a proper response based upon the facts that I discover through my investigation into this matter. I greatly appreciate any consideration the Court can provide me in granting this brief extension of time.

Thank you for your time and consideration.

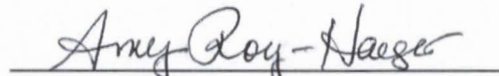

Respectfully submitted,

Amy Roy-Haeger

I, Amy Roy-Haeger, do hereby swear under oath that the foregoing is true and accurate to the best of my ability.

Date: November 2, 2020.
